

Material Safety Data Sheet

(Approved by US Department of Labor "Essentially Similar" to Form OSHA 20)

Section 1. Substance, Preparation And Company Designation

Product: **Sifloor contact
Sifloor promont**

Manufacturer: Sifloor AG
Allmendstrasse 26
CH – 6210 Sursee
+41-41-922 21 21

US Contact for information or emergencies Call Chemtrec:
Domestic North America: **800-424-9300**
International: **+1-800-424-9300**

Product class: Fiber reinforced dry acrylic polymer film. Double sided pressure sensitive skirting adhesive with silicone release paper.

Section 2. Hazardous Ingredients

Ingredients	CAS #	Percent	Occupational Exposure Limit		Vapor Pressure mmHg
			TVL	PEL	
-	-	-	-	-	-

No hazardous substances subject to reporting requirement of Section 313 Title III of the 1986 Superfund Reauthorization Act 40 CFR Part 372 in product

Section 3. Physical Data

Form: Solid, double sided adhesive tape, covered with a silicone release paper on one side.

Color: Colorless to yellowish

Odor: Odorless

Boiling point (°C): Not applicable

Melting point (°C): Not applicable

Vapor density: Not applicable

Evaporation rate: None

% Volatile by Volume: None

Density (g/cm³): ~1.00

Solubility in water: Insoluble, not dispersible

Material Safety Data Sheet

(Approved by US Department of Labor "Essentially Similar" to Form OSHA 20)

Section 4. Fire-Fighting Measures

Flammability classification:	OHSA CLASS IIIB	DOT None
Flame point:	> 200°C > 390 °F	
Suitable extinguishing agents:	Water, CO ₂ , foam, alcohol foam, dry extinguishers, water fog	
Unsuitable extinguishing agents:	None known	
Special fire fighting procedures:	Water may be useful in keeping fire exposed product cool.	
Unusual fire/explosion hazards:	None	

Section 5. Health Hazard Data

Effects of overexposure			
Acute:	None known		
Chronic:	None known		
Medical condition prone to	None known		
Aggravation by exposure:			
Hazardous chemicals listed as	None		
Carcinogens:			
National toxicology program:	No	Monographs: No	
Primary route(s) of entry:	Dermal: No	Inhalation: No	Ingestion: No
Emergency and first aid procedures			
1. Eye contact:	Seek immediate medical attention if eyes are accidentally cut or injured when handling the product.		
2. Skin Contact:	As an ordinary hygienic procedure wash skin with soap and water		
3. Inhalation:	No known hazards		
4. Ingestion:	No known hazards		

Section 6. Stability And Reactivity

Stability:	Stable
Hazardous polymerization:	Will not occur
Substances to avoid:	Strong oxidizing agents. Strong reducing agents
Conditions to avoid:	Excessive heat
Dangerous decomposition products:	None known. By fire: CO ₂ , CO
Further information:	None

Section 7. Spill Or Leak Procedures

Steps to be taken in case material is released or spilled:	not applicable, material is solid
Waste disposable method:	Follow practice for dry solid waste disposal in accordance with Federal, State and Local regulations.

Material Safety Data Sheet

(Approved by US Department of Labor "Essentially Similar" to Form OSHA 20)

Section 8. Special Protection Information

Respirator protection: None normally required. Use normal ventilation or open windows.
Ventilation: Use normal ventilation or open windows.
Protective gloves: Protective gloves are recommended to prevent possible cuts.
Eye protection: Safety glasses are recommended to prevent accidental eye injury due to cuts.
Other protective equipment: None required
Hygienic practices: Prudent hygienic practices, such as washing hands after handling, are always recommended.
Do not eat or drink while working
Other:
Due to slippery properties of the silicone release paper, care must be exercised during installation to prevent accidental falls. The silicone waste paper must be stored in waste containers or plastic bags immediately after removal from the product to prevent falls and related injuries.

Section 9. Special Precautions

Precautions to be taken for handling and storing: Store in a cool and dry place. Avoid high humidity and direct sun exposure.
Other precautions: Keep out reach of children! For industrial use only!

Section 10. Emergency Planning And Community Right-To-Know Act

This product contains the following toxic chemicals subject to the reporting requirements of Section 313 of the Emergency Planning and Community Right-To-Know Act of 1986 and 40 CFR 372.

CAS Number	Chemical Name	Percent by Weight
n/a	None	0

Section 11. Other Information

The data in this Safety Data Sheet corresponds to the latest findings at the time of writing, according to the best of our knowledge and belief. This MSDS is offered solely for your information, consideration and investigation and does not constitute a guarantee for any specific property or specification of the product.

Sifloor AG provides no warranties either expressed or implied and assume no responsibility for the accuracy or completeness of the data contained herein. The information may not be transferred to other products.
